RESPONSE

Sir:

In response to the Notice of August 20, 2001, enclosed please find a revised Declaration signed by Eric Ameres as well as a Declaration by Eric Ameres as to the inventorship.

The listed inventor, Eddie Oliver was totally incorrect as Eddie Oliver has no connection whatsoever to the invention which is the subject matter of the above nor to On2 Technologies, the employer of Eric Ameres.

In investigating how this came to be, it appears that when the Declaration was prepared, our office confused Eddie Oliver as being an employee of On2 although Eddie Oliver is an employee of another client of our office. Apparently, in

the direction given to the preparer of the documents, Eddie Oliver's name was

inadvertently added, and this error was not picked up prior to filing the application on June 7, 2001.

Further, the provisional patent application upon which the present application is based lists only Eric Ameres as the inventor.

Submitted herewith is a substitute Declaration signed only by Eric Ameres.

We wish to have the official file corrected so that only Eric Ameres is listed as the inventor, and Eddie Oliver's name is not. The reason for this is that we do not want there to be any confusion on this matter so that if a patent is issued on this pending application, Eric Ameres will be listed as the only inventor.

A one month extension of the response time is sought herewith.

Thank you for your cooperation.

Respectfully submitted,

LEVISOHN, LERNER, BERGER & LANGSAM
